ACTIVITIES

Art is the only field which doesn't really has any boundary whereas each and every country consists of borders and limited space. In spite of lots of obstacles, only the Art can erase all of those even so called boundary, makes convenience any person in this world by its golden charm. I want to make a great impact in modern society. Though being a citizen from a third-world country, my ultimate vision is to equate India as per developed country by using my artistic vision.
