Full Professional Proficiency

INTERESTS

Microbiology

Plant tissue culture

Molecular biology

Protein purification and
estimation

Animal / Mammalian
cell culture

Shubham Ghuge

BIOTECHNOLOGIST

I am currently looking for an opportunity that offer a greater challenge, with a strong to serve this field of biotechnology with my skills and also want to outspread my inherent abilities.

EDUCATION

Master Degree

Dr. D. Y. Patil Bioinformatic and Biotechnology Institute, Tathwade Pune

06/2017 - 07/2019

Pune

Courses

▣ Biotechnology

Bachelor Degree

College of Agricultural and Biotechnology Loni

06/2011 - 07/2015

Loni

Courses

▣ Biotechnology

Higher Secondary

New Arts Commerce and Science College Shevgaon

05/2009 - 06/2011

shevgaon

Courses

▣ Science

Secondary School

Jawahar Vidyalaya Jintur

05/2008 - 05/2009

Jintur

WORK EXPERIENCE

Project trainee

Microbial Diversity Research Center (MDRC)

11/2018 - 06/2019

Pune

Contact: Sristi Pandey - 7709914432

ORGANIZATIONS

Naam Foundation (04/2018 - Present)

member

Founder member of a NGO group named "Prabhu sevabhavi sanstha" jintur
(2008 - Present)

CERTIFICATES

National Symposium on "Recent advance in modern biology and biotechnology"
(RAMBB2019) (08/2019)

Screening of lactic acid bacteria for the synthesis of the Cyancobalamin vitamin B12

PERSONAL PROJECTS

Micro-propagation studies in Banana (12/2014 - 04/2015)

Screening of lactic acid bacteria for the synthesis of the Cyancobalamin vitamin B12
(12/2018 - 05/2019)

ACHIEVEMENTS

University player Cricket and volleyball (2015)

Best Sports person award (2014)
