PROFILE

I am passionate about my work. Because I love what I do, I have a steady source of motivation for teaching that drives me to do my best. In my last job(in Edufocuss Education, Varanasi), this passion led me to challenge myself daily and learn new skills that helped me to do better teaching. I taught myself how to use Microsoft Office to improve the quality of our PPTs and graphics. I soon became the go-to person for any paper of chart design needs.
