PRESENT STATUS

Presently, I have completed my Post-Doctoral Fellow (PDF) on a research project titled, 'Constructing the Indirect Use of Nuclear Weapons: Analysing the Case Study of China.' This is an ICSSR funded research project for which I am affiliated to Jamia Millia Islamia. I am also teaching MA students in Department of Defence and Strategic Studie, University of Pune, INDIA.

PAST WORKING EXPERIENCE AND PUBLICATIONS

Prior to joining as PDF I worked on the following positions :-

- Research Fellow in Centre for Land Warfare Studies (CLAWS), New Delhi. CLAWS is a reputed think tank dealing with defence and security related issues in New Delhi.
- Lecturer in University Of Pune, Department of Defence and Strategic Studies and taught 'International Relations' & Peace and Conflict Studies'. (Academic Year 2016-17).
- Visiting faculty at MIT SOG, Pune and taught the subject titled 'Diplomacy and Negotiations'.
- Lecturer in Gandhi Memorial National College (GMN), Ambala Cantt (Kurushetra University).
- Research Associate in United Service Institution of India & Peace and Conflict Studies (IPCS), New Delhi as Research Officer from July 2007- Nov 2009. During this period, I was working on the issues related to nuclear weapons, missile stability, Ballistic Missile Defence and the US policies in South Asia. My publications are as under:
